Overview

Any library, whether it is school, public, academic, or special, is many things to the community it serves. This webcast looks at some of the innovative programming libraries today are creating to meet the evolving needs of their patrons. Presenters provide a basic primer for anyone who has always wanted to plan a program, but didn't know where or how to begin.

Speakers:

Penny Mandziara, Library/School Liaison for the Bensenville Community Public Library.
Bensenville, Illinois

Kelly Watson, Reader Services Librarian for the Bensenville Community Public Library in
Bensenville, Illinois
