PDF Flyer: [Medical Apartheid and Beautiful Lies: Repeating the Past and Breaking the Cycle](#)

The annual [Mayden Lecture](#) was established in honor of Priscilla Maltby Mayden (1918–2011), recognizing her service to the University of Utah as Director of the Spencer S. Eccles Health Sciences Library from 1967 – 1984. This lectureship has allowed the Eccles Library to invite knowledgeable and exciting speakers on the myriad ways technology and medicine interact to the benefit of the library and medical professions.
