Include a Librarian on the Team for Reproducible Systematic Reviews

Michelle Fiander, MLS, Mellanye Lackey, MSI, Mary McFarland, Melissa Rethlefsen, MSLS
Eccles Health Sciences Library
University of Utah

Planning: Protocol development, capacity, skills needed

Reduce waste: Has anyone else reviewed this topic?

Transparency: Report appropriate, accurate details

More than a search

Efficiency: guidance on the process minimizes errors, bias

Tools and Education: software for analysis, citations, evaluation

Completeness: How do you get all the data? How do you manage it?
