- Time: 1:00p-2:30p
- Where: HSEB 4100 B&C
- Faculty, staff and students are welcome

The Institute for Healthcare Advancement is hosting its 10th Annual Health Literacy Conference: "Health Literacy = Effective Communication: Translating Ideas Into Practice" May 4-6, 2011 in Irvine, California. You can attend a pre-conference session "virtually" to discuss the National Action Plan to Improve Health Literacy. Join in the social media discussion and hear how other organizations around the country are using the National Action Plan, and join the discussion with information about what you're doing or suggestions for others.
