

DISPLAY PANEL REQUEST FORM

The Eccles Health Sciences Library provides felt display panels for University of Utah affiliates who wish to display research posters, art, or other 2D materials. The panels are approximately 50 in wide by 80 in in height. They are free standing and two-sided, as well as moveable due to two removable wheel bases. Each panel weighs approximately 15 pounds without wheels.

We have ~80 display panels available for reservation. **Panel reservations are typically unavailable during the months of April and May due to student use.** If you would like to reserve any number of display panels, please email: ehsl-reference@lists.utah.edu

For anyone borrowing display panels for use outside of the library, **you are required to arrange for [University Moving Services](#) to get the panels, and yourselves, safely to your destination.**

By signing, the patron fully understands and agrees to the above terms.
