The Spencer S. Eccles Health Sciences Library at the University of Utah invites applications for the position of Web Services Librarian. The library seeks an energetic, creative and service oriented individual who will lead the library’s effort to develop a state of the art web presence that responds to the needs of our communities. In this role, the librarian will also provide reference and education services. He/she must be fluent in current Web and information technologies, be innovative, enthusiastic and have strong personal initiative. This librarian is expected to use Web technologies to deliver services and information, teach and communicate with a wide array of constituencies as well as investigate and implement new technologies as appropriate. This librarian collaborates with Eccles Library colleagues as well as with other library and external partners to develop and revise programs to respond to changing information needs.

Required: ALA-accredited graduate degree or relevant accredited graduate degree; knowledge of current web and information technologies as well as training and experience in web development and design.

Desired: Two years experience in an academic health sciences library; experience with library instruction in an academic setting; demonstrated project management skills; knowledge of health information resources; demonstrated organizational and problem-solving skills; excellent interpersonal and communications skills; flexibility and adaptability for work in a fast-paced environment; commitment to public service; commitment to diversity in the workplace and community

Salary: $40,000 minimum annually. This is a fulltime, tenure track faculty position. All faculty benefits apply including 25 days vacation and 14 days sick leave and TIAA/CREF retirement. More information at http://www.admin.utah.edu/fhb/index.html. Job description posted at: http://library.med.utah.edu/lib/employment.php.

For more information about the University of Utah, please see http://www.utah.edu/portal/site/uuhome/ and the Spencer S. Eccles Library refer to http://library.med.utah.edu/. Review of applications will begin March 1st and will continue until the position is filled. Submit cover letter, curriculum vitae and contact information for 3 references to:
