**College of DuPage Teleconference**

Hosted by the
Spencer S. Eccles Health Sciences Library
Paid for by the
Utah State Library Division

**WHAT:** Reference Tools for the Information Age: Consumer Medical Resources

**WHEN:** Friday, March 11, 2005

**TIME:** 10:00 A.M. to Noon

**WHERE:** History of Medicine Room, Eccles Library (upper level)

**RSVP:** Contact Jeanne Le Ber at 801-585-6744 or jeannele@lib.med.utah.edu

**Overview**

What are the best reference tools available, both in print and online? This final teleconference for 2005 covers a number of areas related to reference, and provides library staff with the best and most up-to-date tools available on consumer medical information.

**Presenter**

- **Debra Kakuk**, reference librarian at the College of DuPage Library, supporting the Health Sciences Division
- **Michelle Kraft**, head medical librarian at South Pointe Hospital
- **Kelly Watson**, Adult Services Librarian for the Bensenville Community Public Library in Bensenville, Illinois
