**Program Description**  
In a technology and media rich world, what capabilities do our students need to be successful knowledge consumers and creators in their personal and work lives? What VITL skills will make them *smart for life*? Panel presenters from the J. Willard Marriott Library will talk about:  
- Exploring ways to embed VITL into the curriculum  
- Defining faculty needs  
- Using the Marriott Library’s new learning spaces to support VITL

**Presenters**  
**Juli Hinz,** Associate Director for Research and Learning Services  
**Alfred Mowdood,** Head of Research and Information Services  
**Alison Regan,** Head of Scholarship and Education Services  
**Linda St.Clair,** Head of Education Services

**Light refreshments will be served!**  
Co-sponsored by the Spencer S. Eccles Health Sciences Library and the Media-On-Demand Committee
