Beyond WebCT: An Introduction to Canvas

When: Wednesday, April 6, 2011
Time: 12:05 p.m. to 1:00 p.m.
Where: Health Sciences Education Building, Room 2110
Who: Cory Stokes & Rebekah Grow
What: Library and Information Technology Forum

Program Description
This session will address the new learning management system called Canvas that will replace WebCT at the University of Utah, starting summer 2012. General information will be given about the RFP process and why the statewide consortium picked this vendor. TACC will talk about training and migration plans for the next year.

Presenters
Cory Stokes brings extensive instructional technology experience to the University specializing in large-scale course management systems and learning object repositories. He implemented several course and media services for institutions and schools across the Utah Education Network as well as collaborative projects with PBS and other national partners. Cory holds an M.S. in Instructional Technology from Utah State University.

Rebekah Grow has worked in the TACC offices for the past 12 years. She meets with and trains faculty on educational technology. Rebekah also helps to manage the support desk for students and faculty.

Light refreshments will be served!
Co-sponsored by the Spencer S. Eccles Health Sciences Library
And the Media-On-Demand Committee
