Recent Updates in Copyright Law:  
Fair Use, Permission, and the  
Digital Millennium Copyright Act

When:       Wednesday, January 19, 2011
Time:       12:05pm to 1:00pm
Where:      Health Sciences Education Building, Room 2110
Who:        Julie McAdams & Michele Ballantyne
What:       Library and Information Technology Forum

Program Description
This copyright presentation will include an overview of the Fair Use principles and highlight recent cases in the area as well as provide specific examples, such as the appropriate use of Internet material. The presentation will also cover proper use of copyrighted tests, such as those often used in connection with routine patient intake forms. Finally, the presentation will provide information on an important update to the Digital Millennium Copyright Act dealing with educational uses of motion pictures.

Presenters
Julie McAdams is an Associate General Counsel from the University of Utah Office of General Counsel. Julie advises on various copyright and other intellectual property matters at the University. She also advises on a variety of business transactions and commercialization of University-owned intellectual property.

Michele Ballantyne is an Associate General Counsel from the University of Utah Office of General Counsel. Michele advises on a variety of legal issues at the University, including copyright and trademark matters. She also advises on employment and immigration law.

Light refreshments will be served!
Co-sponsored by the Spencer S. Eccles Health Sciences Library
And the Media-On-Demand Committee
