

## **FREE CLINIC FOR DIGITAL VIDEO**

**Paul E. Burrows and Eric R. Carlson, Media Solutions, Eccles Broadcast Center,  
University of Utah, Salt Lake City,**

Visitors to our Free Clinic for Digital Video will have their video acquisition, editing, and distribution questions and concerns answered (or at least referred to another specialist). Stop by for a consultation.

We're not demonstrating. We're sharing. Take advantage of the experiences and knowledge the University of Utah new media developers have gained in creating and delivering digital video for the Internet, CD-ROM, and DVD-Videodisc. We will help diagnose your digital video problems or questions, and prescribe possible courses of treatment. Bring your laptops, your software and your chief complaints. Perhaps our Free Clinic can help.
